RG104 E-1 Box 137 Jan-Feb 1886

Philadelphia, Jan 19th 1886

Dear Sir:

I have the two original pattern dollars - struck in Silver, of 1878 - the Barber & Morgan design - from which the Bland Act - was taken. This is a very interesting & important pair, the specimens in the Cabinet are in Copper, It would I should think be very important for you to have these pieces in their own metal. U.S. Silver. Dollars can be made for them. two of your Silver dollars of 1879 of which you have duplicates. I have handed these pieces to Mr. W. Clune

Very truly Yours,
H. P. Newlin.

Hon. A. Loudon

Dear Sir:

I have the two original pattern dollars – struck in silver, of 1878. The Barber & Morgan designs, from which the Blank Dol. was taken. This is a very interesting & important pair; The specimens in the Cabinet are in copper. It would I should think be very important for you to have these pieces in their own metal, U.S. Silver. I will take on trade for them two of your silver dollars of 1879 of which you have duplicates. I have handed these pieces to Mr. McClure.

Very truly yours,
H.P. Newlin
